

An Affordable Tyre Changer with High Reliability

The perfect entry-level tyre changer for shops desiring to expand into wheel service and looking for value without compromising features.

- Rugged and robust design to withstand the demanding environment of a workshop
- Swing-arm design that is suitable for a wide range of rim and wheel sizes
- 14mm-thick square turntable to withstand the increased bending forces when handling large and low-profile tires

Centre-Clamp design with covered sliding grooves ensure operator safety
